CURATED **PHOTOGRAPHS**

SELECTED FROM THE **SCP/BULB** FB AND IG STREAMS

This year we had the pleasure to meet a lot of you via your photographs. Your photos gave us an idea of how you see the world around you. We explored and observed a lot of scenes from everyday life through your eyes.

We are so thrilled to see how your photography has grown during the time you were members in our group.

We learned new things about ourselves and life and this is what photography really is, a journey without a destination.

Go out and shoot, because your best picture might be just around the corner!

We wish you health and happiness during this merry season!
