CURATED **PHOTOGRAPHS**

SELECTED FROM THE **SCP/BULB** FB AND IG STREAMS

My favoured cities, Bucharest and Brussels (front and back cover of this issue) always broke my heart one way or another. They were always surprising with their broken childhood, shattered glass and dark character.

Nevertheless they were very kind to me and they gave me the opportunity to discover photography in its essence. On a more contemplative note, my home country kind of balanced the mood.

After 20 years of wandering on their streets and seas, a book and a photographic album will see the day.

With the same occasion our editor Mihai will take over the chief editing of our SCPzine.

Thank you for giving him and the entire group of editors your continuing trust and photographic endeavours.
